The Department's response will either provide clarification of the applicable issue or be in the form of a correction to this RFP. 1.6 PRE-PROPOSAL CONFERENCE

An optional Pre-Proposal Conference will be conducted in the **Auditorium (Plaza Level)** of the **Gordon Persons Building, 50 Ripley Street, Montgomery, AL 36130** on **Friday, March 09, 2007 at 10:00 a.m.** Vendors may use this opportunity to ask clarifying questions or obtain a better understanding of the project or to notify the Department of any ambiguity, inconsistency, or error discovered upon examination of this RFP. The Department will determine whether a Vendor's proposal complies with the requirements. Proposals that do not meet all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive. 1.7.1 DEADLINE FOR RECEIPT OF PROPOSALS

Proposals must adhere to the format requirements and must be received by the deadline for receipt of proposals as specified in the Schedule of Events and Section 1.9.1 *Required Copies and Deadline for Receipt of Proposals*.

1.7.2 TAXPAYER IDENTIFICATION VERIFICATION

Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer by the due date for receipt of written questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the Vendor's ability to respond to the RFP or perform the contract.

***Note:** The Department reserves the right to not enter into a new contract with a current Vendor who is under a corrective action plan until all corrective requirements have been met.*

1.8.2 UNDERSTANDING OF SPECIFICATIONS AND REQUIREMENTS

By submitting a response to this RFP, Vendor agrees to an understanding of and compliance with the specifications and requirements described in this RFP.

1.8.3 PRIME CONTRACTOR/SUBCONTRACTORS

The prime contractor if a contract is awarded shall be responsible, in total, for all work of any subcontractors. All subcontractors, if any, must be listed in the proposal. The Contractor shall be responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by the Contractor. Any awards made as a result of this document will create a contractual relationship between the Contractor and the Department, not the subcontractor.

1.8.4 VENDOR'S SIGNATURE

An individual authorized to legally bind the organization submitting the proposal must sign the original proposal in ink. The Vendor's signature on a proposal in response to this RFP guarantees that the offer has been established without collusion that would preclude the Department from obtaining the best possible service for the best possible price.

Prior to due date, proposals may be delivered Monday through Friday between the hours of 8.00 a.m. and 4:30 p.m. Faxed and electronically submitted responses to requests for proposals are NOT accepted.***

1.9.2 FAILURE TO COMPLY WITH INSTRUCTIONS

Vendors failing to comply with these instructions may be deemed non-responsive or subject to point deductions. The Department may also choose to not evaluate, and disqualify from further consideration any proposals that do not follow the format described in Section 4: *Proposal Format and Instructions*, are difficult to understand or read, or are missing any requested information.

1.9.3 TIMELY SUBMITTED PROPOSALS

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

1.9.4 LATE PROPOSALS

Regardless of cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be the Vendor's sole risk to assure delivery at the receptionist's desk at the designated office by the designated time. Late proposals will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

SECTION 2: STANDARD INFORMATION

2.0 AUTHORITY

This RFP is issued under the authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.). Any awards resulting from this RFP will be made based on stated evaluation criteria. The weight assigned to each criterion denotes the relative importance of that criterion. No criteria, other than that identified in this RFP, will be used.

2.1 VENDOR COMPETITION

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies

2.2 NONDISCRIMINATION

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination

2.3 IMMIGRATION STATUS

Vendor's authorized person(s) within the agency must sign and submit *Appendix D* on the immigration status of all workers to be employed for the services described in this procurement. Vendors must attest that all workers will be citizens of the United States or at the time of employment will be in a proper and legal immigration status that authorizes them to be employed for pay within the United States.

2.4 PROPOSAL EFFECTIVE PERIOD

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn or canceled by the Vendor during this period.

2.5 TRADE SECRETS

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a "trade secret" by the Vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor's legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. The Vendor's Legal Counsel must use the Department of Human Resources "Affidavit for Trade Secret Confidentiality" form when requesting the trade secret claim. The affidavit form (*Appendix C*) included in this RFP.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a “right to know” (open records) request from another party.

2.6 PRE-SCREENING AND EVALUATION OF PROPOSALS

2.6.1 PRE-SCREENING

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review they will be classified “responsive” or “non-responsive”. However; proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

2.6.2 EVALUATION OF PROPOSALS

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

2.7 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor’s expense.

2.8 BEST AND FINAL OFFER

The Department reserves the right to request a “best and final offer” for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their “best and final offer,” which must include any and all discussed and/or negotiated changes.

2.9 PUBLIC REQUESTS FOR INFORMATION

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

2.10 COST OF PREPARING A PROPOSAL

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

2.11 DEPARTMENT'S RIGHTS RESERVED

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. Upon determination such actions would be in its best interest, the Department, in its sole discretion, reserves the right to the following:

2.11.1 PRE-SELECTION DISCRETION

The Department reserves the right at its sole discretion, at any time and for any reason, to reject any or all of the proposals submitted in response to this RFP, or to cancel this RFP, if it is deemed by the Department to be in its best interest to do so.

2.11.2 POST-SELECTION DISCRETION

Upon selection of a proposal, the Department reserves the right, at its sole discretion, at any time and for any reason, to change its decision with respect to the selection and to select another proposal, or to cancel the RFP, if it is deemed by the Department to be in its best interest to do so.

2.11.3 WAIVERS

Notwithstanding the amendment provisions otherwise set forth herein, the Department reserves the right at its sole discretion, to waive any minor irregularity in an otherwise valid proposal which would not jeopardize the overall program and to award a contract on the basis of such a waiver in the event the Department determines that such award is in the best interest of the Department. Minor irregularities are those which will not have a significant adverse effect on the overall program cost or performance.

2.11.4 NEGOTIATIONS

The Department reserves the right to negotiate with any Vendor whose proposal is within the competitive range, as specified in the RFP with respect to technical plan and cost, as well as to select a Vendor other than the Vendor offering the lowest price.

2.11.5 ADOPTION OF IDEAS

The Department reserves the right to adopt to its use all or any part, of a Vendor's proposal and to use any idea or all ideas presented in a proposal.

2.11.6 ORAL PRESENTATIONS

The Department reserves the right to require some or all of the Vendors to provide oral presentations of their proposals.

2.11.7 AMENDMENTS

The Department reserves the right to amend the RFP. Except as provided above with respect to "WAIVERS" made by the Department, all amendments to the RFP will be made by written addendum issued by the Department and posted to the web at www.dhr.state.al.us under this RFP link.

2.11.8 NO GUARANTEE OF CONTRACT

Selection of a proposal shall not be binding upon the Department and may or may not, at the Department's sole discretion, result in the Department entering into a contract with the Vendor if it is in the best interest of Department not to proceed with contract execution.

2.11.9 RIGHT TO INVESTIGATE AND REJECT

The Department may make investigations as deemed necessary to determine the ability of the Vendor to perform the services specified. The Department reserves the right to reject any proposal if the evidence submitted by, or investigation of, the Vendor fails to satisfy the Department that the Vendor is properly

qualified to carry out the obligations of the contract. This includes the Department's ability to reject the proposal based on negative references.

2.11.10 DISCLAIMER

Issuance of this RFP does not constitute a commitment by the Department to select any proposal submitted in response to the RFP, or to award a contract to any Vendor who responds to this RFP.

Note: All contracts awarded by this Department are subject to review and approval by the Legislative Oversight Committee and the Governor's Office.

SECTION 3: SCOPE OF PROJECT

3.0 PROJECT OVERVIEW

The purpose of the *Reunification Incentive Program* is to address the permanency needs of 40 children or youth in residential and therapeutic foster care (TFC) placements in Mobile County (20 slots) and Jefferson County (20 slots), Alabama. The children/youth and families to be served by this project may have a history of the following behaviors to include, but not limited to: aggression; substance misuse; runaway; unruly behavior; problematic sexual behavior; unstable family patterns; stealing/lying; property destruction; and/or serious emotional disturbance. The selected Vendor(s) must work closely with the residential or TFC Vendor in coordinating the treatment plans of the family and child(ren)/youth and must keep the Individual Service Planning (ISP) team abreast of progress in or barriers to reunification or permanency placement. Proposals must explain the Vendor's expertise or history in the provision of such services or identify a nationally recognized model that has proven to be successful that will be used in the accomplishment of stepping children down in the restrictiveness of placement through intensive treatment services in the home.

3.1 SERVICE REQUIREMENTS

3.1.1 IN-HOME SERVICES

Vendors must be able to provide intensive in-home services and therapy to families to facilitate the transition of the children/youth identified as ready to return home or to another permanent living arrangement from their out-of-home placement. Each family must be provided 24-hour emergency assistance seven (7) days per week, and family therapy will be provided as many times per week as deemed necessary and as set forth by the ISP team. All treatment and referrals should be coordinated through the family's ISP team. Therapy should be based on a thorough assessment of all factors and domains affecting the child/youth and family.

All Vendors submitting proposals should detail how they can accomplish this holistic approach to serving the families while the children/youth remain in out-of-home placements and then for providing continuing services once the child/youth is placed in the permanent living environment. Treatment with the family after the placement is expected to last from six months to twelve months, depending upon need and the decisions of the ISP team, but may be adjusted upward or downward for the same reasons. Support and training offered to line treatment staff must be clearly delineated by respondents to this RFP as to frequency and type.

3.1.2 ASSESSMENT

Assessments must include evaluations of the best placements for individual children as well as their families' capacity to care for them. It is expected that any referrals to the program must meet the criteria of having return to parent or relative placement as a realistic permanency goal.

3.1.3 INDIVIDUAL SERVICE TIMELINES

Vendors must address the estimated time that each family may require for such services and the measures to be used to determine when families may be discharged from the program. It is expected that the Vendor can successfully discharge the case within 12 months of the referral.

3.1.4 PROGRAM OUTCOMES

It will be expected that each re-unification or placement in a permanent living environment be supported by services to support the placement. It is a requirement that at least 80% of children placed in permanent living environments and supported by services offered through proposals responding to this RFP remain stable at the one-year anniversary of their discharge from the program. Proposals must indicate what remedial measures a program will take if these outcomes are not attained.

3.1.5 EVIDENCED BASED SERVICES

Vendors accomplishing a higher rate of stabilization may receive additional slots, if needed; and Vendors not meeting this threshold may receive a reduction in the contracted slots that they may provide.

3.1.6 ACCEPTANCE/REJECTION OF REFERRALS POLICY

Each proposal must define how the program will meet the following criteria for rejections and ejection from the program. (Just a statement that they will not occur will not suffice for explanation of how these requirements will be met.)

Rejections: A Vendor will be able to reject no more than 15% of the referrals that meet the criteria for this service by the Vendor in any calendar year, except when it can be documented that there are no available slots. This percentage will be re-evaluated at the end of twelve (12) months to determine whether the percentage should change or not.

Ejection: A Vendor will be allowed to eject a child/family from the program for the following reasons: attempted suicide or validated threats, homicidal attempts or validated threats, the need for intensive substance abuse treatment or other intensive treatment.

3.1.7 QUALITY ASSURANCE PLAN

Vendors must provide a clearly identified quality assurance plan that will be implemented by the program, including an acceptance-and-rejection-of-referrals policy.

3.1.8 TRACKING AND REPORTING

Proposals must contain specific language on how a Vendor will track the children or youth/families who have received services through their program and how they plan to report to the Department the statistics received from the tracking. Tracking for each family served by the continuum must be for no less than twenty-four (24) months. Proposals must indicate the areas that will be tracked and what outcomes are expected in each of the areas. Selected Vendors will be required to provide all reports to county and State DHR that are required in case management and tracking for service utilization.

3.1.9 AFTERCARE SERVICES

Proposals must present clear, specific services that will be provided to children and families once they have been discharged from the program. These aftercare services should be described as to type, frequency and duration. Each proposal should also describe crisis intervention services that will be provided during a family's tenure in the program, as well as post-discharge. If DHR must re-open the case of the family for the same reason the case was open previously during this time, the Vendor must resume providing services at no additional cost to the Department. The period of aftercare established by the Department is six (6) months. Proposals must indicate how aftercare will be accomplished and what services will be provided during the aftercare period.

3.1.10 MEDICAID BILLING

Proposals must indicate that the Vendor is able to bill Medicaid. Vendors are expected to bill Medicaid for all eligible services up to 40% of the monthly rate. The monthly rate for this service will be paid to the Vendor upon receipt of invoice and the Department will have an expectation that Vendors will bill Medicaid for all services performed for Medicaid eligible children.

3.1.11 COLLABORATION WITH DHR

Proposals must describe how the agency will ensure that the county DHR case worker and the agency case manager for the family will meet monthly to de-brief cases to ensure that barriers to goal accomplishment are identified and that progress is being made. Proposals must identify how identified barriers will be incorporated

If a child disrupts the home placement during the transition and re-enters an out-of-home setting and the Vendor discharges the case, the Vendor will receive no reimbursement for services provided during the previous out-of-home placement before the transition home.

For example: Vendor accepts the Smith family for re-unification services with this project in October 2007. John is in out-of-home placement. Vendor does not transition child back home until January 2008. Vendor receives no remuneration for services from October until January, at which time they begin receiving \$2500 per month. The Vendor continues to work with Smith family until June 30, 2008, at which time they successfully discharge the case. The Vendor will receive \$30,000 minus \$15,000 (\$2500 times the 6 months that the Vendor provided in-home services when the child was transitioned back into the home) equaling a lump sum payment of \$15,000.

ACCESS AND RETENTION OF RECORDS: The contractor agrees to provide the Department, Legislative Auditor, or authorized agents, access to any records necessary to determine contract compliance. The contractor agrees to create and retain records supporting the services rendered or supplies delivered for a period of three years after either the completion date of the contract or the conclusion of any claim, litigation, or exception relating to the contract taken by the Department or third party.

ALTERATION OF SOLICITATION DOCUMENT: In the event of inconsistencies or contradictions between language contained in the Department's solicitation document and a Vendor's response, the language contained in the Department's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the Vendor's disqualification and possible debarment.

ASSIGNMENT, TRANSFER AND SUBCONTRACTING: The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the Department.

AUTHORITY: The following request for proposal, limited solicitation, or contract is issued under authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.)

CHARGE BACKS: The Alabama Department of Human Resource and the Medicaid will deduct federal charge backs from future payments.

COMPLIANCE WITH LAWS: The contractor must, in performance of work under the contract, fully comply with all applicable federal, department, or local laws, rules and regulations, including the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Any subletting or subcontracting by the contractor subjects subcontractors to the same provision. The contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the contract.

DEBARMENT: The contractor certifies, by submitting this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the Department.

DISABILITY ACCOMMODATIONS: The Department does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Individuals, who need aids, alternative document formats, or services for effective communications or other disability-related accommodations in the programs and services offered, are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

FACSIMILE RESPONSES: Facsimile responses will not be accepted for requested for proposals or limited solicitations.

FAILURE TO HONOR PROPOSAL: If a Vendor to whom a contract is awarded refuses to accept the award (contract) or, fails to deliver in accordance with the contract terms and conditions, the Department may, in its discretion, suspend the Vendor for a period of time from entering into any contracts with the Department.

FORCE MAJEURE: Neither party shall be responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the non-performing party, so long as such party is using its best efforts to remedy such failure or delays.

HOLD HARMLESS/INDEMNIFICATION: The contractor agrees to hold the Department, its elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, causes of action of any kind or character, including the cost of defense thereof, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed or omissions of services or in any way resulting from the acts or omissions of the contractor and/or its agents, employees, representatives, assigns, subcontractors, except for acts of omission resulting from the sole negligence of the Department, under this agreement.

LATE PROPOSALS: Regardless of cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be solely the Vendor's risk to assure delivery at the designated office by the designated time. Late proposals will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

REGISTRATION WITH THE PURCHASING DIVISION: Any business intending to transact business in Alabama must register with the Alabama Purchasing Division by completing the Vendor Disclosure Statement. A copy of the Vendor Disclosure Statement can be downloaded from the Purchasing website at www.purchasing.alabama.gov.

SEVERABILITY CLAUSE: A declaration by any court, or any other binding legal source, that any provision of the contract is illegal and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually dependent.

SOLICITATION DOCUMENT EXAMINATION: Vendors must promptly notify the Department of any ambiguity, inconsistency, or error, which they may discover upon examination of a solicitation document.

TERMINATION OF CONTRACT: Unless otherwise stated, the Department may, by written notice to the contractor, terminate the contract in whole or in part at any time the contractor fails to perform the contract.

APPENDIX C: TRADE SECRET AFFIDAVIT

Alabama Department of Human Resources

AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY

DEPARTMENT OF _____)

)ss.

County of _____)

_____ (Affiant), being first duly sworn under oath, and representing
_____ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of _____, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # _____. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
 - (b) information requested by the Department to establish Vendor responsibility
- unless prior written consent has been given by the Vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are

solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.
